

## TMR – Moving & Relocations

Target Moving & Relocations is a subsidiary of Target Group and constitutes an integral part of its Freight Forwarding Division. In the relocation business, experience is everything. Which is why our long and successful history sets us clearly apart as a quality service provider. Streamlined systems, expert techniques, superior materials, a comprehensive global network and professionals, courteous staff, are features of our operation that come as standard. Target Moving & Relocations is a member of American Moving & Storage Association and British Association of Removers

## About Us

Target Moving & Relocations operates from all the major cities in Pakistan – Islamabad, Karachi, Lahore and Faisalabad, each self sufficient and fully equipped to the requirements of storage and moving.

This regional network is meshed into a grid of over 400 quality agents worldwide. For over a decade Target Moving & Relocations has specialized in providing fully integrated household goods transportation and relocation service for a variety of companies and their international assignees.

Working in close coordination with your human resources department, Target Moving & Relocation simplifies the relocation for both inbound and outbound employees – providing all services through the ease of single point of contact.

Target Moving's specialists rely on years of experience along with knowledge of the latest industry trends and technology to insure that our clients achieve their HR goals.

Target Moving & Relocations' relocation packages can include the following services:
